

Dear Friends,

There was a balance of 90 USD (INR 4700) (refer Feb-Mar 2012 first project report). This amount was used to purchase a bicycle for Ms.Swetha, a school going student in Chennai. Swetha is studying 9<sup>th</sup> grade in a government school in Chennai. For the past one year she has been wishing for a bicycle to go to school. Her parents (dad – daily laborer and mom- servant maid) have been postponing the purchase due to affordability issue. Finally with the help of all of you, we were able to see a big smile in Swetha's face.

The bicycle costed INR 4200 and INR 500 has been allocated for future bicycle maintenance.

Receipt from the bicycle store and a thank you acknowledgement from Ms.Swetha is attached.

We thank you all for your generosity and encourage you to pass on the info about eegai.org to your friends.
